

LÅNEKASSEN FUNDING FOR NORWEGIAN APPLICANTS

BIMM INSTITUTE 'HIGHER EDUCATION' COURSES (LEVELS 4-6) IN THE UK, IRELAND AND GERMANY ARE APPROVED FOR FUNDING SUPPORT FROM LÅNEKASSEN / NOKUT - THE NORWEGIAN QUALITY ASSURANCE AGENCY.

Please note that unfortunately, the Foundation Year (Year 0 - available for some degree courses) is not recognized for support from Lånekassen, as NOKUT do not consider this to be equal to Higher Education in Norway. Therefore Lånekassen will not be able to fund any students taking the Foundation Year.

TO RECEIVE SUPPORT TO STUDY ABROAD, YOU MUST HAVE:

1. General entrance requirements (for university entrance) in Norway. More information is available from NUCAS at: <http://www.samordnaopptak.no/info/english/>
2. Before you apply, you must have an unconditional offer that shows that you have fulfilled any academic conditions. The unconditional offer must show:
 - Your name
 - What level of degree you will take
 - That you are studying full time
 - Subject
 - Duration of the course and expected conclusion date.

For more information such as:

- Requirements and conditions for support
- Examples of funding
- Documentation
- Approval of education outside the Nordic region
